TERMINOLOGICAL EXPLANATIONS	
*** Economic dependency exists:	
<ol style="list-style-type: none">1. between the Declarer and their jointly and severally liable persons, including guarantors and persons having issued or endorsed promissory notes, other situations where by virtue of law or a contractual agreement persons are jointly liable for obligations to the Bank (e.g. a debtor and their co-debtor(s), a debtor and their spouse/partner), general and limited partnerships where the Declarer is a general partner.2. between the Declarer and a credit protection provider, where the collateral or guarantee is so significant to the issuer that its ability to repay the obligation would be affected if the collateral or guarantee were realized/called by the Bank.3. where a significant portion of the gross revenues or gross expenses of the Declarer (on annual basis) are derived from transactions with a person (e.g. a tenant of residential or commercial property of the Declarer who pays a significant portion of the rent) that cannot be easily replaced.4. where a significant portion of the production/output of the Declarer is intended for one person, and this production/output cannot easily be sold to another person.5. where the Declarer has, together with another person, the same source of funds for repayment of credit obligations, and none of them has another independent source of income that may fully repay such credit obligations.	
**** Control means the relationship between a parent undertaking and a subsidiary undertaking which is subject to consolidation, or a similar relationship between any natural or legal person and an undertaking.
